About Best Lawyers

Recognition by *Best Lawyers* is based entirely on peer review. Our methodology is designed to capture, as accurately as possible, the consensus opinion of leading lawyers about the professional abilities of their colleagues within the same geographical area and legal practice area. *Best Lawyers* employs a sophisticated, conscientious, rational, and transparent survey process designed to elicit meaningful and substantive evaluations of the quality of legal services. Our belief has always been that the quality of a peer review survey is directly related to the quality of the voters. *Corporate Counsel* magazine has called *Best Lawyers* "the most respected referral list of attorneys in practice."

Best Lawyers: "Lawyer of the Year"

Additional recognitions are also awarded to individual lawyers with the highest overall peer-feedback for a specific practice area and geographic region. Only one lawyer is recognized as the "Lawyer of the Year" for each specialty and location.

Best Lawyers: "Ones to Watch"

These awards recognize extraordinary lawyers who have been in private practice for less than 10 years in the United States. Like traditional *Best Lawyers* awards, a *Best Lawyers: Ones to Watch* recognition is based entirely on peer review.
