

INTRODUCTION TO CUMMINGS & LOCKWOOD'S CORPORATE & FINANCE GROUP

July 9, 2020

Author: Joel Schechter

In this video, Joel Schechter provides an overview of Cummings & Lockwood's Corporate & Finance Group, which provides a broad range of legal services including corporate entity formation, corporate governance and acquisitions and financings, as well as specialized services such as franchise law and entertainment and sports law. In addition, the firm closes billions of dollars in credit facilities for major financial institutions throughout the country. The firm also has extensive experience financing yachts, aircraft, insurance premiums, fine art and sports clubs owned by private individuals. (5:01)
