About Super Lawyers

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates based on 12 indicators, and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

To be eligible for inclusion in Rising Stars, a candidate must be either 40 years old or younger or in practice for 10 years or less. All attorneys first go through the Super Lawyers selection process. Those who are not selected to the Super Lawyers list, but meet either one of the Rising Stars eligibility requirements, then go through the Rising Stars selection process.
